Dear Harold Weisberg,

Guess you are hoping for an early spring, too. We can sure use one - hope you are getting out as you wanted.

Salvation Army, County Dem. Women's Club, + Rotary on the agenda. No charge to anyone which is a burden on me since I'm far from rich. More headbanging, but I feel I should do it. How else will anyone know?

Found a guy who's very interested, so maybe we can go further.

Take care + O hope all is well with you.

Sincerely,

Theresa
